The CIA normally holds launches on the 2nd and 4th Saturdays of each month. Most of these are at Pick Dodds Park in Champaign, starting at 1 pm. We sometimes have to wait for soccer games to finish before we can set up. Occasionally we launch elsewhere and some launches start at 10 a.m. We have monthly meetings on the 1st Tuesday of each month at the Springer Cultural Center at 301 N. Randolph in Champaign, at 7 pm. Everyone is welcome to attend our meetings. We also invite everyone to come and fly, or just watch, at our launches.
